Rockdale County Parks and Rec Video receives GRPA Award

CONYERS, Ga. – The Georgia Recreation and Parks Association (GRPA) recognized The Rockdale County Parks and Recreation Department and Public Relations Department as the recipients of the Marketing & Visibility Award for Online Media.

Recreation and Maintenance Director Sue Sanders, Public Relations Director Jorge Diez, and Parks and Recreation Deputy Director Jason Redmond received the award on Tuesday, November 7 at the GRPA annual conference in Columbus, Georgia.

GRPA selected Rockdale's promotional parks video from numerous entries submitted by agencies from across the state. The video was produced by the county's Public Relations Department and has county staff showcasing Rockdale's 20 parks, trails and greenspaces for Parks and Rec Month in July.

"This state-wide recognition is a great honor and we are incredibly pleased to receive this prestigious award," Sanders said.

About GRPA

The Georgia Recreation and Park Association is a private, non-profit organization that supports, promotes and advocates for quality recreation and park areas, facilities, programs, and services within the state of Georgia.
